

PROTOCOL BETWEEN

GRADUATE SCHOOL OF NATURAL and APPLIED SCIENCES
YILDIZ TECHNICAL UNIVERSITY

AND

THE GRADUATE SCHOOL OF SYSTEM DESIGN
TOKYO METROPOLITAN UNIVERSITY

FOR ACADEMIC EXCHANGE AND RESEARCH COLLABORATION

Graduate School of Natural and Applied Sciences at Yıldız Technical University and the Graduate School of System Design at Tokyo Metropolitan University have joined in an agreement, as described below, for the promotion of cooperation and exchange of academic and research activities.

1. The respective parties agree to facilitate the following activities:

- (1) Exchange of teaching staff and researchers
- (2) Exchange of graduate students
- (3) Joint research activities
- (4) Joint coordination of research and technology transfer projects
- (5) Exchange of academic materials, publications and information
- (6) Other activities under agreement between both parties

2. The above activities will be carried out through close consultation and exchange of information between both parties.

3. This Protocol can be modified through an exchange of letters and mutual agreement between both parties.

4. This Protocol will expire five years from the date of the signatures. It can be extended if both parties agree.

5. This Protocol may be terminated at any time by mutual consent or by nine months' notice from either party.

6. This Protocol becomes effective upon the date of the signatures.
