In order to extend the effective and mutually beneficial cooperation and develop academic and cultural exchange in education, research and other areas, the Yildiz Technical University and the Technische Universität Dresden hereby intend to cooperate toward the internationalization of higher education.

The areas of cooperation will include any program offered at either university which is felt to promote the above-mentioned goals. However, any specific program shall be subject to mutual consent, availability of funds and the approval of both universities. Such programs may include:

a) exchange of faculty members
b) exchange of students
c) exchange of publications
d) joint research projects
e) joint conferences
f) joint teaching projects
g) joint cultural programs.

The terms of such mutual assistance and cooperation shall be discussed and agreed upon in writing by the responsible authority of each university prior to the initiation of any particular program or activity.

This letter of intent shall take effect upon approval by both parties and shall remain in effect for an initial period of two years. Thereafter it shall be reviewed by taking into consideration the results achieved during this period of time. After a positive evaluation by the respective committees of both universities it can lead to a formal co-operation agreement.
